Whatever happened to between Tekken 6 and 7 for Julia to turn from a intelligent, serious, mature and decent girl into a stupid, ditzzy and shrill voiced airhead. I guess Harada couldn't get enough of Lucky Cloe that they had to ruin one of the greatest Tekken 7 characters of all time. And all this time I have been looking forward to Julia DLC. Moral of the story never buy season pass or Delux Edition.. Bought for the Moveset, stayed for the Streams.
